

# *Feliz Navidad* *Merry Christmas*

From Jim & Ester Mazurek & family  
Missionaries to Chile

December 25, 2012

Dear friends,

We pause again on this day of celebration of the birth of our Lord and Savior, Jesus Christ, to thank Him for His love and grace.

We thank Him for our family. Our three children, Koreen, Jamie and James are all in ministerial training or full-time service. We thank Him for our three precious grandchildren, Christopher, Katie and Michelle, the sixth generation in our family to live in a Pentecostal home.

We thank Him for His saving, life-transforming power and the joy we have in sharing that great news with children in need in Santiago, Chile.

We thank Him for blessing us with opportunities to train young men and women for full-time ministry both in Chile and throughout all of Latin America.

We thank Him especially for you. Your love, friendship, prayers, encouragement, and monthly support have been our constant help. May God bless you richly.

Because He is the reason,

*Jim & Ester*
