ISUM seminar in Mexico... Pastor's Retreat in Bolivia... Educators' Summit in Peru... a terrific team from Bellevue, NE works on the Santiago Children's Ministries Outreach Center... and God's anointing on it all!

Dear friends,

God has been so good as these past months have been filled with travel and ministry. We have seen the works of the Holy Spirit over and over, throughout the region.

In June Jim travelled to **San Luis Potosí, Mexico** to direct and teach at an ISUM

(advanced ministerial training) seminar for Mexican pastors. It was heart-wrenching to hear so many stories about the violence in the northern border areas, and how even some of our own Assemblies of God members have been wounded or killed in the crossfire. Nevertheless, God is raising up a generation of dynamic young pastors who are bravely preaching the Gospel in places where no one wants to be today.

In August Jim conducted a two-day seminar about church leadership in **Santa Cruz, Bolivia**. The specific question was about the validity of the New Apostolic Reformation movement, which is growing stronger in Latin America, and about which Jim has authored a book which is selling in bookstores throughout the region (*El Restauracionismo Apostólico*, Zondervan, 2008). Two days of conference, plus preaching four times on Sunday, made for an exhausting, but very blessed trip.

Five hundred and twenty-five Bible school teachers, directors, administrators and national church leaders came together in Lima, Peru in mid-September for a continental summit on Christian Education. It was an amazing time of fellowship and encouragement to train up the next generation of pastors and leaders for all South America. Our thanks and admiration go to Missionaries Rod and Sherry Boyd, organizers of the summit.

During the first days of October we enjoyed the visit of a terrific volunteer construction team from **Bellevue Christian Center, Bellevue, NE**. These twelve folks really worked hard and bonded wonderfully with our staff and the kids that attend the Children's Ministries Outreach Center. We praise the Lord for each one of them. A huge "Muchas Gracias" to BCC lead pastor, Gary Hoyt.

Everything you have just read about was only possible by the Lord's hand working through you, as you have prayed and supported our work. Pray with us, that more and more doors of ministry may open, and that the Children's Center project may soon be completed.

Thank you again for your love, fellowship, prayers and support.

Jim & Ester
