

Merry Christmas

from Jim & Ester Mazurek
Missionaries to Chile

Dear Friends,

Thank you for another year of fellowship, prayers and support on behalf of our missionary work in Chile and throughout Latin America.

2013 was a year filled with challenges as well as blessings. We look forward to this new year with faith, believing for many children to come to Christ, and for many young men and women to hear His call and seek training for full-time ministry.

May the Lord bless you and yours this Christmas season with His loving presence.
